

<b>The situation of education on steno in different countries</b>	
<b>Schools And Training Centers</b>	<p>We should have the basic information of schools and training centers (especially the key school), such as:</p> <ol style="list-style-type: none"> <li>1. What kind of courses do they have.</li> <li>2. The number of their students.</li> <li>3. How to contact with these schools and training centers, including the responsible person, their telephone number, the address, their e-mail and MSN.</li> <li>4. The kind of these schools and training centers, are they professional schools in steno training or are they amateur schools?</li> </ol>
<b>The Situation About Teachers</b>	<ol style="list-style-type: none"> <li>1. Do the teachers have some certificates of their professions?</li> <li>2. Are they the full-time teachers or part-time teachers?</li> <li>3. What about their educational background?</li> <li>4. What about their earnings?</li> </ol>
<b>Certification Status</b>	<ol style="list-style-type: none"> <li>1. Do they have any certificates about steno skills?</li> <li>2. What kind of certificates do they have?</li> <li>3. What's the Appraisal criteria</li> </ol>

**We need all the informations about the steno skills, such as the keyboard skill, information processing, graphic shorthand skill, steno machine skill and speech recognition.**
