

LETTERE MOZZE IN PARVO LOCO Shorthand as a world heritage of humanity

The International Federation for Information and Communication Processing, INTERSTENO, in collaboration with the International Association on Respeaking on A.I.R., organizes a seminar on shorthand in view of the process for the recognition of shorthand as an intangible masterpiece of humanity by UNESCO.

To do so, the most important figures in the field of shorthand will gather in **Rome** on **September 29th, 2014** in the magnificent *Sala degli Atti Parlamentari* of the Italian Senate, in Piazza della Minerva 38, from 10.00 a.m. to 01.00 p.m. The programme includes three keynote speeches by three international experts and two panels of experts who will answer questions on the importance of shorthand as a professional tool and as a means of culture transmission.

A light lunch will be offered to participants by the Italian Academy of Multimedia Writing and Communication "Giuseppe Aliprandi – Flaviano Rodriguez".

Everybody is invited to attend. **REGISTRATION IS FREE BUT COMPULSORY** since a list of participants must be released in advance for granting entrance the Senate venue.
